Advanced Spiritual Study that comes with membership

The Easy Way Discourses

Go higher, further, deeper with your spiritual experiences!

Eckankar offers enrollment in advanced spiritual living courses for Self-Discovery and God-Discovery. This dynamic program of inner and outer study unlocks the divine love and wisdom within you. It offers step-by-step advances in enlightenment through initiation.

From the first day, you can have direct experience with the God Current and begin to meet life's challenges on the highest possible ground.

You will enjoy monthly discourses from the spiritual leader of Eckankar, Sri Harold Klemp, creative spiritual practices for daily life, and the quarterly *Mystic World* publication. You can join the class with like-hearted Souls on Zoom. This class meets on the first Wednesday each month and began on September 1.

Here's a sampling of titles from the first course:

- In Soul You Are Free
- Reincarnation—Why You Came to Earth Again
- The Master Principle
- The God Worlds—Where No One Has Gone Before?

True spiritual freedom awaits you.

A Year of Creativity

The ninth of the Spiritual Years of ECK. God’s special gift to the higher forms of spiritual evolution is the gift of creativity. It is a reflection of Soul’s highest nature.

How will you use this gift today? Solving a problem? Repairing a relationship? Preparing a meal?

Spiritual Exercise: For Higher Dream Awareness

The word *HU* is an ancient name for God that has a unique ability to lift one into a higher state of awareness. This dream exercise centers around this special word. One way to open yourself to the wisdom of your dreams is to sing *HU*. Sing it either softly or silently, for a few minutes before bedtime. This sacred name for God will charge you spiritually. Then go to sleep as usual.

Whenever you have a dream, jot it down in a notebook. Right after describing the dream, write down your feelings as to what it may mean. Some keep a tape recorder by their bed. Others awaken at night and merely fix one or two points of their dream in mind and record it later.

If you put any time at all into this dream exercise, you will begin to see how the Holy Spirit is using your dreams to bring you spiritual understanding. The spiritual program of ECK dream study can help you find peace of mind.
