True spiritual freedom awaits you.

This new class will meet the second Tuesday of each month at 7:00 p.m. and begins on April 12.

To learn more, call (479) 856-3966.

Here's a sampling of titles from the first course:

- In Soul You Are Free
- Reincarnation—Why You Came to Earth Again
- The Master Principle
- The God Worlds—Where No One Has Gone Before?

Before an individual comes to ECK, he often doesn't recognize the divine help that is around him all the time. It is always trying to show him how to make his life better and how to avoid unnecessary troubles.

In ECK he learns to reach the higher state of consciousness which allows him to accept the help that is being given. And because ECK is love, the help is a gift of love. The inner experiences are important and our daily life is important, but never more so than when we are filled with love.

You Know What to Do, Sing HU

I received a valuable lesson to reiterate what I already knew as a long-time member of Eckankar—and that was to sing HU. HU is an ancient name for God and a love song to God. Singing HU draws one closer to God.

Several events took place. I had gone to the store to pick up flooring and while there, I shopped for flowers. At some point I felt for my keys but they were gone. *Where were my keys, did I drop them somewhere in the store?* I asked the garden department and the lost and found, but they did not have anything on record. I then went back to my car thinking I had left them in the car, but I had locked my car and I could not see my car keys in the ignition. Peering through the windows, I didn't see the keys anywhere inside. I have a habit of wearing my keys on my fingers and not putting them in my pants pocket. I decided to go back to where I was shopping in the garden area of the store. I frantically looked, but could not find the keys. I decided to call someone for help because my iPhone was also locked in the car. At this moment I felt totally lost and all alone. And to add to the problem the store was going to close in a few hours. That's when I heard my inner guide, the Mahanta, whisper, "You know what to do, sing HU." I decided to sing HU silently.

The Mahanta is an expression of the Spirit of God that is always with you. The highest state of God consciousness on earth, only embodied in the Living ECK Master. Harold Klemp is the present Mahanta, the Living ECK Master.

Knowing I have the HU, the Mahanta, and all the various spiritual tools at my disposal, I began to listen closer. The Mahanta was guiding me and I went to the flower section where I was earlier and grabbed this one pot of flowers. To my amazement I heard a jingle. It was my car keys. I was elated and I noticed the keys were dangling low on a branch in the flower pot. The keys I had on my fingers somehow slipped off and onto this potted plant where earlier I frantically tried to find my keys. I had found my keys because I took the time to sing HU. I was so very grateful for the HU and that I had listened to that inner voice and followed it.

But there was more for me to truly appreciate the HU. I got on the freeway, headed home, when I realized my billfold was not in my back pocket. I pulled off the next exit ramp where it would be safer to search the car, but I found nothing. I concluded that I must have left my billfold at the store, but where? I arrived at the store and headed quickly to the garden section. Again, no one had seen my billfold.

For the second time, I heard this sweet whispering inwardly say, "HU has found your keys, so keep going, don't stop." I felt this strong message of love and again surrendered the situation.

I realized I had paid for the flowers earlier, so the billfold was lost somewhere after that. Through all of my searching and frustration, I continued to hear the gentle whisper of the Mahanta, "Keep going, don't stop." I followed this inner nudge that I must have placed the billfold on top of my car when I loaded the flowers into my vehicle. Although the odds seemed incredibly against me, I continued to follow the inner nudge and went back to my car. I drove slowly, observing all my surroundings. I readied myself to make a left turn—my last chance before I would get on the freeway to head home.

When I looked to the right I saw a black object in the middle of the road. *Could that be my billfold?* I turned around, parked, got out of my car and waited for the traffic lights to change in order for me to run into the street to retrieve what I hoped would be my billfold. I made my dash and picked the object up quickly. Behold, it was my billfold!

Happily, I looked inside my beat-up billfold and many items were missing. Again, I heard my inner guide in a more direct manner, "Keep going, follow the HU." In other words, follow the guidance I am given.

Amazingly, I was able to find everything after I spent over an hour searching on one of the busiest intersections for the rest of my items. Other items were found spread out in the grass, in a long one-block area.

I raced back to my car and sat there in total awe from the entire experience. With a grateful heart, I thanked the Mahanta over and over for showing me the power of the HU. When I needed help and felt so all alone my inner guide whispered to me, "You know what to do, sing HU."
