## HU Is a Carrier of Love between Soul and God

### Filled with Love

**I**f people would trust their heart and know that if they love God and open their heart—if they love God through loving their neighbor—they would find that God brings help and protection to them in ways that most people don't know.

The way to do that is to sing *HU* to yourself. You just sing this very quietly to yourself or inwardly. You may see the Light of God; it can be a blue light, a white light, a yellow light, or a green light. You can see it many different ways. Or you may hear the sound of tinkling bells, a flute, a full orchestra, or something as simple as a sigh.

But you will be filled with love.

Sing *HU*, and this may help you open your heart to God's love. Then you will find the miracles happening in your life too.

—Harold Klemp,  
*The Sound of Soul*, p. 13

*You* are Soul. It is the real you.  
You are a timeless, deathless spark of God—in love, strength, and beauty—upheld by the always present Light and Sound, the Holy Spirit.

—Harold Klemp, *The Spiritual Life*, p. 75
