Relax and Restore

The mind can overreact to the rush of everyday living, leaving us on edge and out of sorts. We forget that help is as near as a few moments in contemplation.

At least once a day, let the Sound and Light of God enliven you with spiritual impulses. Gently chant *HU*, and the silent wind of God will enter the sacred temple of consciousness in the heart.

Once tensions relax, it is just moments until the healing current of Spirit begins to restore you.
