WHAT WILL YOU EXPERIENCE?

This ever-expanding adventure can bring you personal transformation from the moment you begin. This includes

- monthly **Spiritual Living Courses** with advanced **spiritual techniques** for private study;
- opportunities to review the courses in **small-group discussion classes**;
- quarterly letter and updates from a **God-Realized teacher** with timely perspectives;
- **spiritual initiations**—profound steps of enlightenment;
- a **community of like-hearted people** who respect spiritual freedom and love truth;
- opportunities for further spiritual training and service.

The range of vibration in the universe spans from infinity to infinity. And while the primal cause of vibration is the Light and Sound of God, the human voice is a mere speck on the full scale of vibration. Why would God only speak in a whisper? Yet people who believe that God speaks chiefly in the frequency range of the human voice forget that the human voice, in comparison to the universe of sound, is but a tiny whisper.
